

## National Align Your Teeth Day

August 7 – 11, 2023

Join Align in celebrating National Align Your Teeth Day by hosting an event at your practice the week of August 7.

Originated by **American Academy of Clear Aligners**, National Align Your Teeth Day is observed on August 11 to promote awareness about the importance of tooth alignment.

**By registering**, you'll get an exclusive digital marketing kit and support that will help you promote Invisalign® treatment at your practice.
